

District Mourns Untimely Death Of Calhoun Boy

Scores of sorrowing friends and neighbors gathered at the Outdoor Chapel of the Episcopal Church at Tahoe City Monday afternoon at 2 p. m. to pay their last respects to Scott Allan Calhoun, 15 year old son of Mr. and Mrs. Allan N. Calhoun of Deer Park Lodge.

The Truckee Colonial Mortuary was in charge of the impressive services and burial was in the Tahoe City cemetery. The chapel was filled with flowers, indicating the popularity of the family. Rev. Arnold Carlson officiated.

Scott's death last Friday was said by investigating officers to have been a suicide. His body was found by a friend, Sidney Byrd, hanging by his necktie from a vent in a trailer house where he slept near his home. The time of death was established between the time he retired about 10 p. m. until 2 a. m.

The young victim was a sophomore in the Tahoe Truckee High School and was an honor student. No reason for the act could be given as he apparently was in good health and spirits and only the day before had been boating. Deputy Sheriff Lou Conrad of the Tahoe City sheriff's department was called to investigate.

Scotty, as he was known to his legion of young friends, had planned a fishing trip with young Byrd and at noon Friday the latter called to fill the appointment. The parents said their son watched television until 10 or 10:30 and then retired. He left no note or other indication for the sad tragedy.

Scott was born in Los Angeles December 6, 1945, but for the past several years lived with his family at Deer Park Lodge on the Truckee River.

Besides his parents, the young man is survived by his two brothers, Brian and Mark and by a sister, Alice. His grandfather, Allan B. Calhoun lives in Minnesota.

The entire region was deeply shocked by the tragedy and extends heartfelt sympathy to the bereaved family.

Stockton Pastor To Local Pulpit

STOCKTON—After counting a new high membership of 124,058 and accepting a new high budget of \$1,546,873, the annual Northern California-Nevada Methodist Conference closed its annual six-day session here Sunday.

Presiding Bishop Donald H. Tippett appointed Rev. Richard W. Fowler pastor at the Kings Beach Methodist Church for the year 1961-62.

The membership figure is a 3.72 per cent increase for the past year. Four new churches were organized. The new budget is up 8 per cent. Clarence Crawford of Stockton is the new supply pastor assigned to the Church of the Mountains in Truckee, replacing George Symons, who with his family are leaving for Chico.

Rev. and Mrs. Crawford are the parents of grown children and are also grandparents.

SHADOW VALLEY MEMBERS BUILD TABLES, BENCHES

To three active members of the Shadow Valley Country Club goes the credit for erecting the 10 huge picnic tables and benches for the area near the new clubhouse at the golf course. This accomplishment was through the efforts of Club President Charles Fink, Bob Siebold and Bob Jacobs.

Mike and Eve Popovich and Karl and Betty Kielhofer made the attractive sign on the entrance while Bob's Signs made the directional signs on the main street.

It would be impossible to name all those who have participated in making the course and clubhouse outstanding but their efforts are fully appreciated by the club and the Truckee Public Utility District.

KASPIANS LEAVE ON TREK NORTH

Mr. and Mrs. George Kaspien, with two of their children, Robert and Diane, left for Canada last Thursday, where the family will visit until fall while Kaspien attends to business interests in the north.

Prior to their departure, the family had a reunion at their home at Tahoe Pines, including Mr. and Mrs. Paul Parlari and infant of Gabbs, Nevada.

ENLISTS IN SERVICE

Mrs. Hugh Weinand of Reno called to say their son, Donald L. Weinand is receiving basic training in the U. S. Air Force at Lackland, Texas. He entered the service with the rank of airman third class, earned as a cadet in the Civil Air Patrol.

Dual Observance—

Mr. and Mrs. William Stevenson went to Sacramento for Father's Day and they also attended the 57th wedding anniversary of her parents on the following day.

Southerner Given Term In Jail Here After Fire Starts

A blaze that was suppressed in the beginning but might have caused uncounted damage was sighted at 1:30 Saturday morning just off Highway 89, near the Reno freeway. It was reported by Dave Medford and John Firpo to Deputy Sheriff Emery Lander who in turn reported to the Tahoe Forest Service, quickly sent out its suppression crew.

I. B. Huff who gave his address as South Pasadena appeared before Judge Foster Wilson Tuesday morning and received 15 days in jail for being drunk and an additional 15 days for setting a fire.

According to Henry Toccalini of the forest service an area the size of a room had started to burn but fast action smothered it. It was counted as the sixth fire of the current season.

Roadside Timber Sale Set Friday

The state division of highways will accept bids at the Marysville district office until 10 a. m., June 23, for the purchase and removal of timber from the construction area of the U. S. 40 freeway in Nevada County about one-half mile north of the west end of Donner Lake.

The offer comprises 80 acres of merchantable and non-merchantable fire-damaged conifers with an estimated total of 150,000 to 300,000 merchantable board feet.

Inspection of the timber area can be made by phoning L. R. Hawkes at LUther 7-3861, Truckee, or by writing Hawkes at Box 362, Truckee, California.

For detailed information regarding bid forms and terms of sale, contact Division of Highways, 703 B Street, Marysville; telephone SHERwood 3-5421, extension 308.

ACCIDENT VICTIM SPENDS 12 HOURS AT CRASH SCENE

Glenn Bush, 43, Bellevue, Nebraska, experienced a harrowing escape from death yesterday. His car plunged off Donner grade near Big Shot when he struck a rock along side the road and lost control of the vehicle.

From 5:30 a. m. until 5:30 p. m. Bush lay unconscious before he could make his way to the highway and assistance. He was taken to the Tahoe Forest Hospital.

BREHLER ENROLLS IN SUMMER COURSE

James Brehler of Carnelian Bay, dean of boys at Tahoe Truckee High School, has enrolled in an eight weeks summer course at University of Nevada in Reno. The program, established under the National Defense Education Act, seeks to aid the school counselor in identifying and guiding the talented student.

REBEKAH MEETING SCHEDULED JUNE 28

A regular meeting of Naomi Rebekah Lodge No. 2 will convene at 8 p. m. June 28 with Goodie Mori presiding. Refreshments will be served by Mrs. A. Allison and Mrs. Charles Heller.

A combined Rebekah and I. O. O. F. picnic will be held, committee members of the two lodges named to make arrangements include Mr. and Mrs. Richard Quist, Mr. and Mrs. C. W. Kydd, Mr. and Mrs. William Davis, Mrs. Ben King.

SAFETY BUOYS

Safety buoys have been placed in the water at Donner Lake off the shore of China Cove State Park for the benefit of swimmers in the area and as a warning to boats on the lake to steer clear of the section.

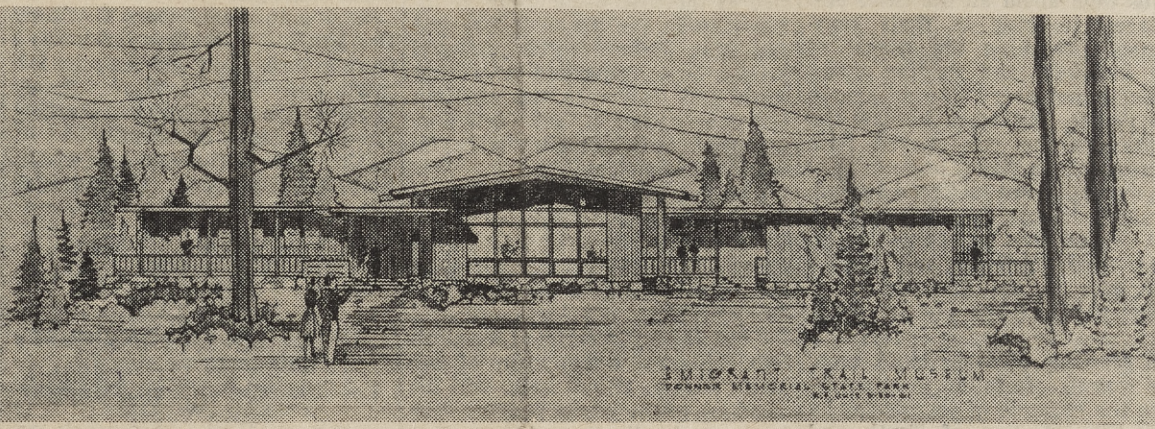

HAPPY DAY

Mr. and Mrs. C. V. Silverii entertained young guests June 19 in honor of the birth date of their son, Steve. Gifts, games and delicious refreshments were included in the merry afternoon party.

BIDS FOR BLISS

The state division of beaches and parks today called for bids for construction of roads and parking areas, and bids for construction of a water system and camp units at D. L. Bliss State Park in El Dorado County.

The bids will be opened at 2 p. m. on Tuesday, July 11.

Work was scheduled to get underway in the near future on the Emigrant Trail Museum to be located in Donner Memorial State Park, three miles west of Truckee. Some \$200,000 has

been made available for the construction of the museum which will be built unit by unit rather than under a master contract. Congressman H. T. Johnson, while state senator, introduced

legislation which brought about the new museum. Since Johnson went to Washington, Senator Ron Cameron and Assemblyman Paul Lunardi have been active in keeping the program alive.

US 40 Freeway Section Bid Let, Near \$8 Million

A low bid of \$7,983,507 was received Wednesday by the state division of highways for construction of 5.4 miles of four-lane divided freeway on US 40 in Placer and Nevada counties, according to officials at the Marysville district office.

Guy F. Atkinson of San Francisco was lowest of three bidders. The project, a part of Interstate 80, will extend from the end of the completed freeway 0.8-mile west of Emigrant Gap east to just beyond the junction with State Sign Route 20 which is about three miles west of Cisco Grove. Emigrant Gap is about 40 miles north-east of Auburn.

Work will get underway following contract approval by the state attorney general, probably within a month or six weeks, and is expected to require two construction seasons to complete.

A 455-foot tunnel will carry railroad tracks under the freeway at Emigrant Gap, and interchanges will be located between Emigrant Gap and Carpenter Flat, at Yuba Gap, and at the SSR 20 junction.

With the start of work on this project, only one section of the 120 miles of U. S. 40 between Sacramento and the Nevada state line will remain on which freeway or expressway has not been completed or is under construction—that is, the 63-mile stretch east of the above job, from near the SSR 20 junction to Hampshire Rocks. Bids will be called for when funds become available.

DOLLEY, SENATOR COUSIN IN REUNION

In introducing visiting notables at the dedication of the new golf course Sunday, Master of Ceremonies N. F. Dolley overlooked, but not intentionally, Senator Kenneth Johnson from Carson City.

Later the two met for the first time in 20 years and enjoyed a visit. They are cousins.

SAN FRANCISCO BOOKED IN WRECK

Carl Jessie Thompson, 45, San Francisco was jailed on a felony drunk driving charge Saturday morning following a collision half a mile west of Donner Summit in which three Reno people were injured.

Taken to the Tahoe Forest Hospital for treatment were Mr. and Mrs. Irvin J. Blochowiak, 42, and Michael Blochowiak, 17. None was seriously injured.

Thompson was arraigned in the justice court before Judge F. W. Wilson Monday.

Unidentified Woman Dies In Truck Crash

An unidentified woman was killed and the driver of a huge grocery truck injured at 5 a. m. today when the vehicle got out of control on Donner grade a mile west of the gate and wrecked.

The driver, Larry Cunningham, 23, Sacramento, told Patrolman Martin Sturcke, who investigated, that he picked the woman hitchhiker up near Auburn.

There was no identification on the body, Coroner Alvah Hooper said, but the truck driver said she was from the Reno area. She was crushed in the cab after the driver leaped to safety. He was taken to the Tahoe Forest Hospital.

State Plans Tests Of Water Quality

The California department of public health is starting a summer-long survey of water quality in the Lake Tahoe and Truckee River basin, according to reports from its Berkeley headquarters.

Field crews will sample the waters of Tahoe, Fallen Leaf and Donner lakes, the Truckee river and tributaries.

Laboratory and sanitary engineering field crews were slated to start the study this week. The survey will determine the extent, if any, to which present sewage disposal methods affect waters used for domestic purposes. Dr. Malcolm H. Merrill, state health department director, said.

TAHOE VOTERS FAVOR HEAVILY BIG WATER BOND

Voters throughout Placer County on June 20 overwhelmingly approved a \$140,000,000 water revenue bond issue. The indebtedness will be used to develop water resources in the high mountains for use in irrigation and electric power. Sale of power is expected to retire the debt.

Tahoe City voted 107 to 12 and Kings Beach 54 to 26 in favor, reflecting the total response of 7,423 to 296. Only 31 per cent of the eligible voters turned out.

Truckee Driver Clinches Win At Reno Races

Harry Causey of Truckee, picked up 32 points for his win in the main event of last weekend's hard-top races at the Reno Speedway and added another three for posting the fastest time-trial lap to move into first place in the seasonal point standings for the Reno Stock Car Association.

Causey's car, owned and maintained by Glen Coffey, was winner of the Best Appearing Car and Crew award.

Causey now has 159 points to lead by five over Ron Gautsche, also of Truckee. Gautsche's fourth place finish in the main event got him 27 points and he also received two for placing in a heat race to run his seasonal total to 154.

The week previous Gautsche had led Causey 125 to 124.

Jerry Marks' 147 points currently places him third among RSAC drivers, followed by Bob Baker with 145. Bruce Miller has compiled a 136 point total to round out the top five.

The second five is composed of Bob Radcliff and Ron Wells, whose points have been combined because they both drive the same car, with 126; Ken Sharpnack, 106; David Prather, 102; Bud Sherwood, 99; and Frank Breeding, 98.

Local Teachers In Adventure at Sea

A 22 foot boat made in the mountains at Tahoe City is destined to carry a courageous trio of local people to the sea to the Hawaiian Islands if the plans of Joer Bol and Mr. and Mrs. Norman Dewhurst become a reality.

Bol and Dewhurst, teachers at the Tahoe Truckee High School with the help of William Vassar, also a teacher, made extensive preparations for the excursion.

The group left for Stockton where they planned to sail to Berkeley to stock up on food, water and other necessities for the long journey in the light craft.

The return to the mainland is contemplated by air.

STATE SOLONS O.K. SQUAW VALLEY BILL

Before going home last Friday, the State Assembly gave final passage to SB384 by Senator Ronald G. Cameron, D. Auburn, creating a Squaw Valley Municipal Improvement District. According to Capital News Service, the measure sets forth the district powers and duties. It also provides for including other than full-time residents in the district's affairs.

The proposal is now before Governor Edmund G. Brown for his signature.

BIG BEND ROAD JOB

WILL COST \$222,829

SACRAMENTO —(CNS)—The state division of highways has opened a low bid of \$222,829 for construction of a frontage road for the future U. S. 40 freeway, to serve the Big Bend Campground and extending from 1.5 miles east of Sign Route 20 to 1.5 miles west of Cisco. Low bidder was Sutherland Construction Co., Auburn.

From Folsom—

Father James Brennan, chaplain at Folsom Prison and former assistant pastor of the local Catholic church, visited friends while attending the opening of the new golf course Sunday.

Shadow Valley Has Ideal Day For Big Opening

Approximately 500 people attended the formal opening of Truckee's new Shadow Valley Golf Course, sponsored by the Shadow Valley Golf Club Sunday.

In beautiful weather and ideal conditions, the opening was declared a big success and everyone attending apparently enjoyed the festivities.

N. F. Dolley, master of ceremonies, opened the program at noon with the introduction of Randy Russell and Charles Traynor of the Boy Scouts, who raised the flag as the national anthem was played. Rev. George Symon was unable to attend and Father Patrick O'Neill gave both the invocation and benediction.

A number of introductions of visiting celebrities and local people who have helped make the course a success followed.

Mrs. Betty Kielhofer, whose efforts on behalf of the course have been untiring, was called upon to cut the huge pink ribbon officially opening the course. She was assisted by Miss Donner Lake (Sandra VanSickle) and photographers from nearby newspapers were present to record the event.

First Off Tee

First off the tee was the local pro, Orf DeLuca, followed by Pro Sherman Ellsworth of San Francisco, amateur Roy Nittler of Reno and Mike Popovich of Truckee.

Truckee Girl Gets Stanford Degree

Miss Linda Loynd, daughter of Mr. and Mrs. W. A. Loynd of Truckee, received her Bachelor of Arts degree as an English major at Stanford University in commencement exercises last Sunday, June 18. The degrees were conferred on the graduates by President Wallace Sterling in the 70th annual commencement at the "Farm."

The ceremonies were held in the Frost Amphitheater on the campus. The class was the second largest in the school's history.

Miss Loynd will continue her studies for a master's degree at the University of California, where she has been accepted in the graduate school.

TAHOE CITY WOMAN ISSUES APPEAL FOR LOST PURSE, COIN

Mrs. Pauline Sheehan of Tahoe City is appealing to anyone who may have found her small brown purse which she lost containing about \$40 in cash but her greatest concern is the return of the Irish penny, the size of a half dollar, which she carried and handed down from one generation to another by members of her late husband's family. The unique coin is only of sentimental value.

Mrs. Sheehan will appreciate the finder contacting her by calling JU 3-3569.

TAHOE MUSIC CAMP AUDITIONS ARE SET

Auditions for leading roles in "Down in the Valley," which will be staged during the fifth annual Lake Tahoe Music Camp in August, have been scheduled for 7:30 p.m. June 26 in the Fine Arts building on the Reno campus of the University of Nevada.

Judges will be Marjorie Dickinson of Las Vegas, who heads the opera workshop at the Tahoe camp; Dr. Wm. Keith Macy, associate camp director who heads choral activities at Tahoe; and Dr. John Carrico, camp director.

Partial scholarships to the Tahoe music camp will be awarded to the singers winning the roles in the Kurt Weill folk opera. Further information and application blanks may be secured by contacting the music department at the university in Reno.

Any student up to college age is eligible to compete in the auditions. Several finalists were selected at the June 12 auditions held in southern Nevada.

RENO COUPLE JAILED IN DRUNK ARREST

Bertrand A. Scholfeld, Reno, was fined \$263 and his wife \$52.50 when they appeared before Judge F. W. Wilson Monday, he on a drunk charge and she for being drunk in and about an automobile.

They were arrested by the California Highway Patrol. Since they were without funds, the couple was sentenced to the Nevada County jail.

TAHOE PUMPING SEEN AS NEEDED. NEVADA IS SHORT

CARSON CITY—When it becomes necessary to pump water over the rim of Lake Tahoe into the Truckee River—predicted for August by the federal watermaster—the drain on the lake level will be less than one-third the loss from normal evaporation.

The Nevada department of conservation and natural resources says it may be necessary to pump over the 41,000 acre feet taken from the lake in 1934, the last year pumping was required.

Forty-thousand acre feet represents about four inches of the surface of Tahoe.

Last month, Claude Dukes, federal water master, predicted it would be necessary to pump this summer, primarily as a sanitation measure.

Dukes said fish life in the Truckee River must be maintained and effluent dumped into the stream from Reno and Sparks sewage disposal facilities can not be allowed to stagnate in the river.

It is not likely water will be pumped from Lake Tahoe for irrigation downstream, Dukes said, some might be necessary for stock watering, depending on how dry western Nevada becomes late in the season.

None of the pumped water will be needed for municipal and industrial purposes in Reno and Sparks. The Sierra Pacific Power Company has enough water stored in Donner and Independence lakes to supply these needs during the critical periods.

FORTY YEARS WITH OIL FIRM IS MARKED

TAHOE CITY—Forty years of continuous business association and service with the Shell Oil Company was the motive for the presentation of an award to Marie Henry, owner of the Tahoe City Garage by R. L. Carter, district sales manager for the company.

Mrs. Henry and her late husband, Joe started to sell the products at Tahoma in 1919, later moving their business to their present location in 1924.

Tree Farming Recent

The concept of forest conservation, known as tree farming, was introduced in the U. S. in 1941.

CHURCH NOTES

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse, Truckee.

Sunday School: 9:30 a. m.

Morning Services: 11 a. m.

The need to follow Christ Jesus' example by healing the sick compassionately through prayer will be stressed at Christian Science churches Sunday.

Scriptural readings in the Lesson on Sermon on "Christian Science" will include (Matthew 9): "And Jesus went about all the cities and villages, teaching in their synagogues, preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd."

A correlative selection to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p.37): "It is possible,—yea, it is the duty and privilege of every child, man, and woman,—to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness."

The Golden Text is from Revelation (12): "Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ."

DONNER DOINGS

By VIRGINIA O'BEAR

Isn't it wonderful to have sun-burned backs and faces? Usually most of us try to get just a little sun at a time but after waiting so long for summer to arrive, I have noticed many who were in the sun too long. Most of our children look like little Indians already so I can imagine how they will look in September when it is time to go back to school.

The Truckee-Donner area can

be very proud of being represented in the Reno parade Saturday. Our Miss Donner Lake and her court really looked beautiful and our entry was photographed by many young ladies. Many nice comments were overheard and if the people really do what they said they would, we should have a larger crowd at the Donner Lake Regatta than ever before. This week the queen and her court will appear on the Betty McIntyre KOLO Television Show in Reno. On June 30 the girls will be featured at the special Memorial Benefit at Blyth Arena starting at 8 o'clock. On July 1, an appearance will be made on the Bill Rase KCRA television

show in Sacramento. From the show, the girls will attend a special dance at Grass Valley, guests of the Nevada County Bonanza. They will spend the night with Mrs. Emery Lander in her old time mansion in Grass Valley and I am told it is haunted. I can imagine the fun the girls will have. On July 4, the beauties will be in the parade in Grass Valley and this event starts around 10:30 a.m. With the Regatta the following weekend, our girls are really having a wonderful and exciting reign.

Mr. and Mrs. Robert Affeldt and Mr. and Mrs. Tony St. Claire have returned from a trip by train. The St. Claires went on to Philadelphia but the Affeldts stopped off at Lansing, Michigan to celebrate the 50th wedding anniversary on June 15 of Bud's parents, Mr. and Mrs. John Affeldt. Janna and Robby joined in the celebration as all of the John Affeldts children and families were there. Tony and

Claudia attended the graduation of their son, Don St. Claire, from medical college in Philadelphia. After the visiting was over and time to come home again, the Affeldts and St. Claires met and came back on the same train which they say was a very enjoyable and interesting trip.

Members of the Auxiliary of the Donner Lake Volunteer Fire Department met at Glacier Gap Lodge last Thursday evening for a delicious buffet dinner prepared by Maggie Avila. It was one of the nicest dinners we have had for some time and everyone enjoyed the food as well as the atmosphere. Hostesses Milla Johnson, Mary Ellen Maxey and Martha Pankoke had beautiful table decorations. The meeting was the last one before the Donner Lake Regatta so many things were discussed for it with reports from the various committees. The next meeting will be July 20, hostesses will be "Gil" Gilson, Georgianna King and Maybelle Vahey. The meeting place will be announced later. The next board meeting will be held at Janet Franklin's home on July 17.

Miss Clarita Richards will compete in the Maid of Nevada County contest sponsored by the Grass

NORTH TAHOE MAN TO INDONESIA AS BUDGET ADVISOR

Capitol News Service in Sacramento reports the retirement of T. H. (Jeff) Mugford as deputy director of the department of finance has been announced by John E. Carr, director of finance, who himself leaves office July 1. Mugford is widely known in the north Lake Tahoe area, where he has been a property owner and water company officer for many years. Mugford will leave for a three-

Valley Junior Chamber of Commerce. The entry deadline is June 28 with preliminary judging on July 15. The ten top contestants will then appear for final judging July 29. So far, we have two beautiful girls from our end of the county, Clarita from Donner Lake, Sandra VanSickle, Miss Donner Lake of 1961, from Truckee.

Our little one is not so little any more. Mike celebrated his seventh birthday this week, June 20 with just the family present. When they get to be seven years old they get kind of independent and many of you mothers know how I feel this week when the "baby" of the family thinks he is growing up.

TAHOE PLANNING PROGRAM DRAWS MAGAZINE PIECE

Under the title "A Great Experiment," Lake Tahoe's unique bi-state general planning program is the subject of a featured article in the current issue of County Official, official publication of the National Association of County Officials. The article is authored by Francis R. Breen, Reno attorney and a trustee of the Max C. Fleishman Foundation of Nevada.

How the joint efforts of the five counties, aided by a special Fleishman Foundation grant through the Lake Tahoe Area Council and cooperation of state planning boards and the HHFA, is resulting in a \$90,000 general plan study for the area is cited in the article as an outstanding example of inter-county cooperation.

The story also deals with the formation of the Tahoe Regional Planning Commission as the first step in the program and quotes its first chairman, Supervisor Ray Chism of El Dorado County, that "thanks to the public spirited assistance of the Fleishman Foundation and the coordinating efforts of the Lake Tahoe Area Council, my fellow supervisors and commissioners in the five counties are now in a position to demonstrate that county governments,

month assignment in the Republic of Indonesia, directing a projected budget, accounting and fiscal reporting study in that country."

"The state of California is losing a dedicated and able public servant with the retirement of Jeff Mugford," Carr said. "We are proud of his past accomplishments and pleased that his wide experience will be put to use in this important assignment in Indonesia." Mugford was director of finance during the latter part of the administration of Governor Goodwin J. Knight.

Ina Hoffman of Squaw Valley became the bride of Frank Wright of Brockway in ceremonies at the United Church of Squaw Valley June 10. The Rev. Symon of Truckee performed the ceremony which was followed by a reception at the home of Mr. and Mrs. M. M. Atwater.

The bride was attended by Heidi Bachthaler and given in marriage

by Monty Atwater. Donald Barkhurst acted as best man for the groom. Parents of the couple are Mr. and Mrs. H. Hoffman of Frankfort, Germany, and Mr. and Mrs. Frank Wright of Liverpool, England.

Louise Anderson has returned home to Acapulco and husband, Dan, after a six weeks visit to son, Dick and his family, at Tahoe Vista. Returning with Louise will be 10 year old granddaughter, Sydney Walsh of Hayward, who will spend the summer with the Andersons. Hurry back.

The Park Chapel was the setting

of the marriage on June 14 of Lucille B. Draney and Ernest Fredrick Caine of Incline Beach.

The bride wore a cream and white dress and carried a carnation bouquet. Attending the couple were the bride's children, Bruce, Lyle, Judy and Linda Draney. Judy and Linda wore carnation corsages and Bruce and Lyle served as ring bearers in the double ring ceremony.

Wedding dinner at the Nugget in Sparks followed the ceremony. Reception at the Incline Beach home of the Caines was held that evening.

Bill and Ruth Mizner of Kings

Beach have returned home after a vacation in Mexico, accompanying the Mizners were the Siples, long time residents of Tahoe Vista. While in Acapulco, Bill attended lodge with Dan Anderson, former Tahoe Vista. The group all enjoyed dinner at the Elcano Hotel before departure.

Zoe Ann Jensen and children, Jan, Jon and Jay, have joined husband and father, Jackie, in the east for the summer. Renting the Jensen home are Mr. and Mrs. Ralph Bostedt and children Tommy and Billy of Visalia. Honey Pitman of Visalia is a house guest for her two weeks vacation.

Jetta Steward and Georgia Cleveland of Crystal Bay attended the installation of officers of the Reno Cosmetologists at the Riverside Hotel Tuesday evening.

Mr. and Mrs. M. S. Peterson and daughter, Kim, of Salt Lake City spent a weeks vacation with daughter, Shana, at Carnelian Bay.

Al Newell of Hayward was a weekend visitor to Kings Beach and son Allen.

Congratulations to Bill and Janet Ellison, Kings Beach on the birth of their first child on June 13, at Tahoe Forest Hospital, Truckee.

Eric Richard weighed nine pounds. Mrs. Ellison is the former Janet Swinney who taught kindergarten at the Kings Beach school prior to her marriage.

Congratulations to Mr. and Mrs. Roy McMillan of Altadena on the arrival of a baby daughter, Lisa Ann, on June 6. Brothers are Gregory Sorensen McMillan and John, Tim and Andy McMillan. Mrs. McMillan is the former Susanne Sorensen, daughter-in-law of Andy and Alice Sorensen, Tahoe Vista.

Carson Chapel in Carson City was the setting of the May 20 mar-

riage of Juanita Cagle of Kings Beach and Buck Richards of Reno. The Richards are making their home in Kings Beach.

W.S.C.S. met at the home of Ruth Mizner in Kings Beach on Wednesday to make plans for summer and install new officers.

Vera Moser of Crystal Bay is the new president; Clara Van Hooser, vice president; Helene Leon, treasurer and Jane Tenneson, secretary. Outgoing officers are Ruth Mizner, president; Velda Farris, treasurer and Adeline Gunkel, secretary.

Among those present were Helen Chanda, Eda Judy, Sophie Levra, (Continued on Page 6)

STRIKES & SPARES

BY JOE WILMAN

UTILIZE YOUR BOWLING RECORDS!

If you bowl just one night a week, it's pretty tough to get that average up higher once you've reached the 150 mark. You need some extra open bowling — some work on the spares you're missing to keep boosting the average.

Another look at those personal bowling records you've been keeping over the years should tell you which spares and splits you've been leaving regularly and how successful you've been in converting. For example, if you've had a lot of those 5-9 spares to shoot at, it means your ball has been crossing over and going into the 1-2 pocket. Check your starting position. Perhaps you should move a board or two to the left to keep the ball on the right side of the head pin.

And if you have been missing the same spares consistently — such as the 10 pin or the 2-4-5-8, schedule them for some extra practice during your next open play session. Learn to get your ball in high in the 2-5 pocket, as we show, to convert the 2-4-5-8.

Keeping these records can help you recognize your weaknesses. Then, all it takes is some intelligent practice. (Copyright, 1961, by National Newspaper Syndicate)

4-WD takes you where the job is... does it better for you!

The 'Jeep' Universal zooms along highways in conventional 2-wheel drive—shifts easily into 4-wheel drive for travel off the road. Mud, sand, snow make no difference to the 'Jeep' Universal. With power take-off or hydraulic lift, this wonder can do an endless variety of jobs for you. Look into the possibilities yourself. Come in today for an on-the-job demonstration!

'Jeep' vehicles with winch attachment move boulders, clear land, stretch fences, hoist cargo, do any jobs where a smooth, strong pull is necessary.

With power take-off the 'Jeep' Universal provides power for welders, compressors, generators and a wide variety of other labor-saving equipment.

With hydraulic lift, the 'Jeep' Universal operates graders, scrapers, post hole diggers, snowplows — and most other 3-point hitch implements.

parking lot in the rear of his building.

Barbara and Hal Moe, now Tahoe Vista residents, formerly of Oakland, are building a drive-in at Kings Beach. Will be known as Moe's Char-Pit, and plans on opening sometime before July 1.

Dispatchers class was held Tuesday evening at the fire house in Kings Beach, with Joe Fulton, fire chief, instructing the class. Present were Mar Howell, Ella Rae Fulton, Eugenia Fry, Pearl Draney, Hannah Reynolds and Jean Little.

Alice and Andy Sorensen of Tahoe Vista have just received the good news that daughter, Loma Sorensen Moore, will arrive shortly for a two weeks visit. Husband, John Moore, has just graduated from Princeton and will be on the staff at Brookings Institute in Washington, D. C. The Moores both attended Tahoe-Truckee High School.

A new look at Rustic Cottage Resort—painting the units on the lake side—brown and aqua. Good work, Bill and Helen Elliott.

Friends will be happy to know that Nina Sorensen of Tahoe Vista continues to improve from her recent serious illness. Good news.

Mrs. Harry Charrison of Kings Beach recently suffered a double fracture of her leg. Able to get around in a wheel chair and improving fast. Daughter, Marjorie and husband, Dave, are able helpers in time of need.

Mr. and Mrs. Robert L. Smith of Pacific Palisades were visitors to the Waddells at Kings Beach for graduation of nephew, Arthur, from Kings Beach elementary school. Mary Lou Waddell and Mrs. Smith are sisters.

Lake Tahoe-Sierra Chamber of Commerce directors held their regular monthly meeting at the North Shore Club, Crystal Bay, on Thursday June 15 at luncheon. Present were Selby Calkins, president, Florence and Gordon Brown, Carlton Konaarske, Tom James, George Phillips, Bill Elliott, Earl Gray, Ray Plunkett, H. E. McCoskey, Ted Stollery, Bob Daneri, Velda Farris and Bethel Van Tassel.

Earl Gray gave a report on the tax protest committee of which he is chairman. A tax attorney and appraiser have been retained to help the group present the case.

DOMESTIC WATER, SEWAGE ITEMS OF FUTURE PLANNING

Planning for the use of remaining developable lands in the Lake Tahoe basin must be patterned within predetermined capacities for adequate domestic water supply and waste disposal facilities if such planning is to have any real significance or serve a useful purpose, according to Deane Seeger, executive director of the Lake Tahoe Area Council.

Appearing before the Placer County planning commission at its annual Tahoe meeting at the North Shore, the area council official was one of several lake organization representatives invited to appear on organization aims and on problems affecting the Placer County area within the Tahoe basin.

Commenting on the recent lake conference with a panel of sanitary engineering experts, Seeger observed that people inclined to dismiss the importance of future water supply and waste disposal facilities would do well to study the conference reports made to the panel by regional, state and federal agencies. These reports, he contended, conclusively prove that "we cannot, contrary to long established concepts, rely upon unlimited water supply nor the mere expansion of present waste disposal facilities and practices to protect the future of this water supply." In his remark, the council director commended Placer County for its support of the Tahoe Regional Planning Commission and its endorsement of the Lake Tahoe Area Council's resolution on "zoning principles."

Tom James, Harry McIntire and Fred Schultz are other members of the committee. However, Earl and his committee cannot do this job alone. The people who are directly affected should give their support and financial aid as well, and now.

Resignation of director, Bill Newsom, Jr. of Squaw Valley was accepted. Nomination of Sandy Poulsen of Squaw Valley was made to fill the unexpired term.

Tom James and George Phillips reported on the meeting at Auburn on the billboard ordinance which they attended.

A general meeting of the Chamber of Commerce is planned—date to be announced.

WARNING ISSUED ON VACATION DRIVING

Fifty weeks a year you work hard at a job, help out with community projects, attend church and service group meetings regularly, prod the youngsters through homework.

Then comes vacation. You have only two, perhaps three weeks, so you plan carefully. You're going to see California this year; drive all through the state.

When you start, everything has been well prepared. The car has new tires, luggage is stowed, milkman has been notified, the kids are all in the car. No worries — you can leave them all behind for those 14 short but relaxing days.

Now, as you wheel out of the driveway, could the California Highway Patrol have one minute of your time? Could we ask you, in these few minutes before you hit the open highway, to consider two things?

First, let driving be part of your enjoyment. Don't make it a chore by trying to push too far each day, by letting minor traffic delays destroy your patience, or by giving in to anger when someone else makes a mistake. Allow the extra

OBEXER IS DIRECTOR OF PLACER CHAMBER

AUBURN—Five directors of the Placer County Chamber of Commerce were appointed for two year terms by the board of supervisors. They are Betty Velican of Colfax; C. Dolton Burner of Roseville; Herbert Obexer of the Lake Tahoe area; Howard Scribner of Rocklin and Ted Chamberlain of Auburn.

There are 1,000 miles of fresh waterways in the San Joaquin and Sacramento River deltas, affording splendid boating and fishing facilities.

time you will need for meals, sight-seeing and refueling.

Second, observe traffic laws and highway control signs. They are designed to help, not hinder. Let them do their job; then you can more easily do yours—operate the car safely.

Finally, have a safe, pleasant vacation. The patrol is sure you will if you devote those few moments at the start of your trip to consideration of the simple requirements for carefree, yet cautious, driving.

NAMED PRESIDENT — Mrs. Mary Lee Gough, NAMED PRESIDENT of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass., at the June 5 Annual Meeting. A native of McKinney, Texas, she has been a teacher and practitioner of Christian Science for many years.

Greater spiritual alertness is needed to meet the unprecedented challenges and opportunities presented by the tremendous upheaval in the world today, the Christian Science Board of Directors said.

In a special message to the annual meeting of the Mother Church, the First Church of Christ, Scientist, held in Boston, Mass., on June 5, the directors called for renewed vigilance on the part of all who cherish freedom, brotherhood and truth.

NAMED president of the Mother Church was Mrs. Mary Lee Gough, a Christian Science teacher and practitioner of Boston, Mass. She succeeds Arthur W. Eckman, general counsel of the Mother Church.

INDIANS MAY SHARE BETTER THAN ON TV

SACRAMENTO — (CNS)—The Indians, who usually come out losers on television, had a good session in the legislature and should do a little better in the future.

The legislature approved SB1007 by Senator Stanley Arnold of Susanville, which creates a state advisory board on Indian affairs. The bill appropriates \$25,000 for the support of the commission.

The commission would have nine members, including the directors of social welfare, public health and education, three members of the senate and three members of the assembly. The commission can appoint an advisory committee of seven members, three of whom shall be appointed from among the recognized leaders of the California Indian reservations.

CONSTRUCTION AREA IS DRIVING HAZARD

Motorists are advised by California Highway Patrol Commissioner Bradford M. Crittenden to exercise caution in areas where road construction is under way.

"Vacationers traveling on unfamiliar highways should take particular care, since they will be unaware of construction zone locations," he pointed out.

In many instances, construction work will mean a temporary reduction in number of lanes, or a detour.

"When you see a sign indicating construction ahead, slow your vehicle to be prepared for a lane change or even a complete stop. The speed limit in construction zones is 25 miles per hour, when posted. In some cases a flagman will be situated to control traffic. His signals constitute an official traffic control measure and must be observed," the commissioner said.

A particularly dangerous practice is lane-jockeying in construction zones where a reduction in available lanes forces traffic to funnel down. Patience pays off in two ways. You will get through

NO NEW LICENSES FOR COUNTY UNDER RULE

SACRAMENTO — (CNS) — Nevada County will not be eligible for any new liquor license under a statewide program of issuance of original on-sale and off-sale licenses, as well as inter-county transfers.

The program calling for possible issuance of 297 new on-sale and off-sale licenses and permitting inter-county transfers of up to 362 licenses, was made by passage of SB275 by Senator Hugh M. Burns, Fresno. The legislation took immediate effect.

Governor Edmund G. Brown and the department of alcoholic beverage control said the Burns bill was necessary to prevent the issuance of some 4,500 licenses under the new 1960 census figures.

Generally, the new program permits issuance of one on-sale and

with your temper intact — and your vehicle, too.

"Safe driving techniques also protect construction crews," the commissioner pointed out. "High speed through a construction zone endangers you and the men working on the road."

HONOR STUDENT TO CONDUCT CLASSES ON REAL ESTATE

TAHOE CITY — Eph Feldman, the first student to receive a master of science degree in real estate at the University of Southern California where he also re-

ceived the Wall Street Journal Award as the outstanding senior in the Department of Finance, will ply his part time hobby of teaching real estate in a class starting at 8 p. m. Monday, July 10, in the Community Center Building near Bank of America in Tahoe City.

The two month course is designed to inform property owners on purchases and investments, and to prepare prospective real estate salesmen and brokers for the new and more difficult California license exams.

The holder of a California adult education credential, Feldman has offered the course privately and in public schools the past several years.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO —(CNS)— The handling of Governor Edmund G. Brown's record \$2.6 billion budget, largest ever on record in California, caused scarcely a ripple around the state legislature. Possibly because the size of the bill ceases to be news any more, as the legislature has passed the "largest" budget in history every year since the annual budget session went into effect.

What a lot of people, including legislators, fail to recognize is the fact that every dollar of the \$2.6 billion has to be sweat out of California's taxpayers.

fornia's taxpayers.

And despite the efforts of conscientious legislators to hold down costs, they are helpless to offer any respite at all to the common people who pay the bills. In fact, there is more than a chance now that taxes will be increased at the 1962 budget session than there is that these taxes will hold the line at present levels.

Many people question why government expenses keep increasing at percentages higher than the population increases in the state.

There is only one answer to the question. That is the fact that bureaucratic government employees, unwittingly at times, continue to build up departments, thwart efforts to cut down paper work, and spend money unnecessarily. Also, to do a government job, it usually takes two people instead of one, with a resulting increase in costs to taxpayers.

There is a remedy for the situation, but it is unlikely that the remedy will be invoked. In fact, there are several remedies.

First, the employment of an organization which surveys businesses and recommends methods of procedure, short cuts and cutting padded personnel rolls would go a long way toward reducing the amount of money necessary to run

An hour north of Reno lies Nevada's Pyramid Lake, remnant of an ancient inland sea. There are also 11 other prints in the current series, each of which carries related historical and travel data on the back.

the government for a year.

But this is not likely to be done, for the simple reason that government would, by devious methods, circumvent the recommendations which any private organization might make.

Second, the people of the state could rise in wrath and abolish the state civil service system, thereby permitting its elected officials to operate the state government, rather than the so-called "career" executives, most of whom have never met a payroll in their lives.

But this is not likely to be done, either, as the do-gooders would bring out the crying towels and decry a "return to the spoils system." For the benefit of the taxpayers, it might be sensible to return to the spoils system for a time and see whether elected officials would accept it as a mandate to start cutting down on government costs, which most legislators admit privately are caused by civil service bureaucracy, but are afraid to say so openly.

Third, the adoption of statesmanlike, instead of political, philosophies on the part of legislators and other elected officials alike would help. Otherwise intelligent legislators, who know what they should do to reduce expenses, and that is to say "no" more often, are reluctant to do this for fear it may hurt their chances for re-election, or continuation in the political world.

The taxpayers have had it, and are going to continue to get it, until some of these things are done.

AREA HIGH SCHOOL JUNIORS NAMED TO U. C. SEMINAR

Albert Eberhart and Margy Mandeville, juniors at Tahoe Truckee High School, have been recommended by Principal Harold Drummond to attend a leadership training course at the University of California at Berkeley June 25 through July 13, sponsored by the Junior Statesmen Foundation in San Francisco. Students will study Constitutional and American Government to gain greater understanding of the background and function of our government.

Miss Mandeville is the daughter of Mr. and Mrs. James E. Mandeville of Kings Beach. She has been active in student body affairs at the local school, participating in CSF, GAA, speech team, and has been varsity cheer leader and class representative on the council.

Eberhart has been class president, senior band president and active in Block T, CSF and speech team. His parents are Mr. and Mrs. V. A. Eberhart of Norden.

Included in the curriculum for the UC session will be an intensive course in the practical application of democratic functions, written expression, public speaking and political ethics.

WATER BOND ISSUE APPROVED 25 TO 1 IN PLACER VOTING

TAHOE CITY — Sanford Koretsky of McCreary-Koretsky, engineers on the Placer County Water Agency project told Tahoe City Rotarians and visitors at a recent luncheon meeting at Tahoe Inn how Placer's water project will benefit every resident of the county.

On Tuesday this week, voters of Placer County voted by a 25 to one margin to approve the \$140,000,000 bond issue to finance a system of irrigation reservoirs and power houses on the upper American and Rubicon rivers. The unofficial tally was 7,423 for and 296 opposed.

The project will be financed by revenue bonds payable in 45 years and sale of power to P. G. & E. are expected to pay bonds and interest in that period of time. Four storage reservoirs, two diversion reservoirs and four power houses will supply the power, Koretsky said.

Ted Stollery was program chairman, Ralph Bly presided.

TAHOE VISTAN'S FATHER INTERRED IN SOUTH STATE

The body of Alfred Everett Burgess, 86, who expired here Sunday was shipped this week to Whittier where funeral services were held at the Rose Hills Cemetery.

LAST OF TIMBER ON DONNER BURN AWARDED ON BID

The last of the fire-killed timber in the 1960 Donner Burn is sold, reports Supervisor H. E. Branagh of the Tahoe National Forest. The Yuba River Lumber Company of Grass Valley, California was the successful purchaser of the Smith Mill Unit comprising 1,880,000 board feet of ponderosa pine, 1,140,000 board feet of white fir and 120,000 board feet in incense cedar or a total of 3,150,000 board feet of timber. This unit is located 12 miles north of Truckee.

Lausmann Lumber Products of Loomis, California was the successful bidder of the Donner Ridge Unit made up of 1,900,000 board feet of ponderosa pine and 6,680,000 board feet of white and red fir or a total of 8,580,000 board feet of timber. Spirited bidding at an oral auction was experienced for this unit as it contained a better grade of the old growth type of timber.

The volume of timber, thus sold from the Donner Burn to date, totals 95,788,000 board feet. The receipts for this timber will amount to \$431,766 of which \$317,252 will be used to reforest the better timber growing lands.

As of June 1, some 20,000,000 board feet of timber has been cut from this burn by five purchasers. They are making a concerted effort to cut and remove this timber hurriedly before deterioration develops.

U. S. COAST GUARD WARNS BOAT OWNERS

KINGS BEACH — Numerous boat owners using Lake Tahoe have not put their license numbers on their craft correctly, according to the U. S. Coast Guard Station at Kings Beach.

Coast guard regulations, require the letters be separated by the width of at least one full letter from the numbers. Additionally, the letters and number must be of a color which contrasts with the boat.

Coast guard officials warned failure to comply with the regulations may result in the issuance of citations.

walkways. All buildings will be
heated.

Dependent upon funds, a fire-
place will be constructed in the
lobby-lounge.

Four Sections

The building will contain four
sections, including an audio-visual
room, an exhibit room, the lobby-
lounge and rest rooms. A small
office, service courtyard and work-
shop are also part of the structure.

The covered terrace entry will
face west, toward Donner Pass and
overlooking Donner Lake. Thermo-
pane windows extending from
floor to ceiling will give visitors a
clear view of the mountain barrier
which forced the Donner Party to
remain near the present park lo-
cation during the entire winter.

Windows to the east, off the audi-
o-visual room, will give a clear view
of the Memorial to the Pioneers.

The building is designed to carry
the heavy snows which prevail in
the area.

Some \$200,000 is available for
construction and exhibits. Because
of the short construction season,
work is being done unit by unit
rather than on a master contract.

LAST SALE DAY

Tomorrow will be the last day
of the rummage sale sponsored by
the Helping Hand Club being held
in the basement of the Church of
the Mountains. Some new as well
as used clothing is available at
reasonable prices, the sale open
from 9 a. m. to 5 p. m.

GOLF COURSE

(Continued from Page 1)

The latter shot the best score of
33 and only one stroke over the
course record.

A large group followed to watch
the real test of the course, which
was declared excellent by the ex-
perts.

More than 400 people remained
during the afternoon for the deli-
cious cross rib barbecue which was
expertly prepared by Spence Wick-
ander of Smart's and the following
restaurants: Smart's, Brown's,
Goodfellows and the California
Cafe.

Members of the club were busy
throughout the day taking care of
the many details necessary to
make the event enjoyable to those
attending. Through the courtesy
of the Truckee Public Utility Dis-
trict, no charge was made for play-
ing on the opening day and scores
took advantage of this to test the
course.

Donations Made

Among those who donated to
make the event a success were the
Crystal Bay Club, North Shore
Club, Sierra Lodge, Monte Carlo,
Cal-Neva and the Nevada Lodge all
of Crystal Bay.

Local donations came from Moke
Kielhofer, Gateway Bottle Shop,
Tourist Club, Hamm's Beer, Lucky
Lager, Curran's Distributing, the
Swiss Club, Rainbo Bread, Farmer
Brothers, Truckee-Tahoe Bottling
Co. From Tahoe helping hands
came from Alpine Sporting Goods,
Kehoe's Market and Bacchi's. The
Reno-Sparks contributors included
Harolds Club, the Holiday Hotel
and the Sparks Nugget. Napkins
were supplied by Cabona's of Tru-
ckee.

Ken Hanson of the Caswell Caf-
fe Co., spent the entire day serv-
ing coffee and being helpful
wherever he was needed. The
coffee along with the cream, sugar,
cups and servers were all the com-
pliment of the Caswell Company
and the ice cream was supplied by
the Carnation Company to off the
fine meal.

The Truckee Volunteer Fire De-
partment and Fire-ettes set up the
soft drink stand to serve drinks
free of charge during the day.

The meal was cooked over the
fine barbecue pit provided by the
Truckee Lions Club. Three trees
to decorate the grounds near the
clubhouse were contributed by the
Donner Florists.

HIGHWAY NEEDS DUE HEARING AT TAHOE

The streets and highways com-
mittee of the California state
chamber of commerce will meet in
the Tahoe Sands motel Friday at
noon to discuss highway recom-
mendations for Placer and El Dor-
ado counties, being submitted by
local area and county chambers of
commerce.

Fifty or more persons are ex-
pected to attend, including repre-
sentatives of local chambers and
the state division of highways.

KRIS BOWERS AT GIRLS STATE MEET

Kristina Bowers is attending
the week sessions of the 15th an-
nual Nevada Girls State, Inc. at
the University of Nevada as one
of those chosen for their qualities of
citizenship, leadership, courage,
honesty, scholarship. They will
participate in a practical study of
good government and the girls
chosen to go to Girls National will
be announced Saturday.

Mr. and Mrs. Bowers, her par-
ents, attended Truckee schools.

SACRAMENTO COUPLE LEAVE AFTER VISIT

Mr. and Mrs. Orval Sannar left
for their home at Sacramento fol-
lowing a visit with her brother and
sister in law, Mr. and Mrs. Zeph
Rose.

The Sannars, who are former
local residents are completing ar-
rangements to open their new
store in the capital city.

BARRY PHIPPS WILL WED NEXT SUNDAY

Barry L. Phipps, son of Mr. and
Mrs. Barney Phipps of Broderick
will claim as his bride Miss Mary
Louise Jimenez at a nuptial mass
to be held at 11 o'clock, Sunday,
June 25 in Our Lady of Guadalupe
Church at Sacramento.

Invitations have been received
by local friends of the future ben-
edict's family who left here several
years ago to make their home in
the valley.

Mr. and Mrs. Luis B. Jimenez of
Sacramento are the parents of the
bride to be.

TO FACE COURT

Trial is pending in Truckee Ju-
dicial Court for Kenneth Camp-
bell Williams, 53, of 63½ Park
Street, Reno, Nevada. Campbell,
an unemployed electrician, was ap-
prehended near Donner Lake by
the California Highway Patrol and
was transferred to the Nevada
County Jail, Nevada City. He is
charged with drunk driving.

OLD TIMER DIES

Funeral services were held in
Nevada last week for Bertolo Mos-
coni, age 89 years who died at
Verdi June 14. The deceased was
a native of Italy and had been a
logger, miner and rancher. His
first job in this vicinity was cutting
wood at Castle Creek, on Donner
Summit for the Southern Pacific
Company.
